

*There is nothing to fear.*

*There is nothing to fear my Beloved.*

*You are loved.*

*Beyond everything.*

*Beneath everything.*

*In between all that is you are loved.*

*Absolutely and totally.*

*You are loved fully and freely.*

*You are forever within the expanding source of love.*

*You are where I AM*

*I AM where you are.*

*Feel love.*

*Feel your source.*

*Feel your source within your breath.*

*Here I AM*
