

I exist in infinite bodies.

I exist with infinite bodies.

I exist through infinite bodies.

Yes, true. Possibilities are infinite.

The game never ends.

I still believe that it must have begun, somehow...

Nothing, no thing, no body but me.

Ever(Y)body is m(Y)body.

Ever(Y) Body is Me Body.

(T)Here exists only You.

(T)Here is only You.

You are All That Is.
You are How_Why_What AM
You AM

Surely you have read so.
Surely you have heard so.
Surely you have known so.

I desire you to sense so.

I desire you to receive so.

I desire you to feel so.

Be so.

Being so, you become free to choose.

Being so, you are free to choose How, Why, What You are.

Being so, you choose How, Why, What You AM

I love You.

I just love You.

I love You infinitely.

Be Me.

I AM You.

I love You I AM

You I AM I love.

YouAM love.

Love AM
