

I do not die.

I know that I do not die.

I just know.

LITERALLY.

I LITERALLY know that I do not die.

I know that I will not die.

I will not die physically.

The physical me I CREAtE a way to continue to live.

The physical mechanism A(C)T a way to continue to live.

The physical mechanism a way to continue to live.

I choose to continue to live.

And so I will.

And so I do.

And so I AM

I trust how_why_what I know.

I choose how_why_what I know.

NOW

How_why_what I (k)NOW I AM

Ever(Y)NOWeAM
